TENNIS AT MOHONK

Mohonk Mountain House has provided the perfect setting to enjoy tennis since our first courts in 1883. Our two red clay courts are celebrating their 100th anniversary this year. Our six soft courts (four HarTru® and two red clay) are well-maintained and staffed by friendly, certified professionals and shop assistants who provide a wide range of tennis programs and general assistance for players of all ages and skill levels.

Among Mohonk's most popular workshops are the one-hour "special topic" clinics offered every day, and the complimentary doubles mixers. Tennis programming includes: Senior Tennis events, partner search listing, complimentary round-robin mixers, daily stroke clinics, and introductory clinics within our Children's Programs. Court time and loaner racquets are available at no charge. For tennis enthusiasts in search of a program to tune-up their entire game, adult mini-camps are offered throughout the season. Noted in several respected tennis and lodging publications, Mohonk's mini-camps and clinics emphasize the playing fundamentals, enjoyment, and camaraderie of tennis at its best.

A full-service resort, Mohonk Mountain House offers a wide variety of recreational opportunities such as golf, hiking on thousands of wilderness acres, boating and swimming in our mountain lake, horseback riding, children's programs, and use of our indoor heated pool and fitness center. Along with House entertainment every evening, guests will enjoy our Festival of the Arts program presenting world-class performances in music, theatre, or dance, July 5 - August 26, 2011 (excluding Wednesday and Saturday).
