MOHONK MOUNTAIN HOUSE CELEBRATES 155 YEAR ANNIVERSARY IN 2024

NEW PALTZ, NY (JANUARY 2024) – [Mohonk Mountain House](#), the iconic mountain resort nestled in the heart of the Hudson Valley, is thrilled to be celebrating its 155th anniversary in 2024. Founded by twin brothers Albert and Alfred Smiley in 1869, the resort is now in its fifth generation of family ownership – an incredible feat accomplished by [fewer than 3%](#) of all family-owned businesses in the U.S.

What began as a 10-room inn on 280 acres of land has evolved into the 259-room “castle” it is today, with new features and [recreational activities](#) introduced every season. When Smiley purchased the land in 1869, he envisioned more than just building a resort; he set out to create a sanctuary providing renewal of the mind, body, and spirit in a beautiful natural setting. Throughout the years of growth and enhancements, Mohonk’s dedication to upholding that vision and honoring its heritage remains evident and is exemplified through diverse offerings ranging from [historic tours](#), to [mindfulness sessions](#) to the latest additions, which supports their signature Wellness in the Wild programming - [Via Ferrata](#) and Pinnacle Ledge excursions - the first of its kind in the Northeast.

“While it’s a remarkable achievement to make it to 155 years of family ownership, what I’m most proud of is our team’s vision for the future - we adapt and grow to market conditions and never rest on our laurels. We understand the demands of today’s traveler and are thoughtful in how we add new programs - whether it’s a theme week around Birding or the Arts or our new Pinnacle Ledge Tour and Via Ferrata course, we always have an eye on how we can stay true to our mission, but also enhance the guest experience,” says Tom Smiley, family member and CEO of Mohonk Mountain House.
